78,7 % At home

Chance of survival

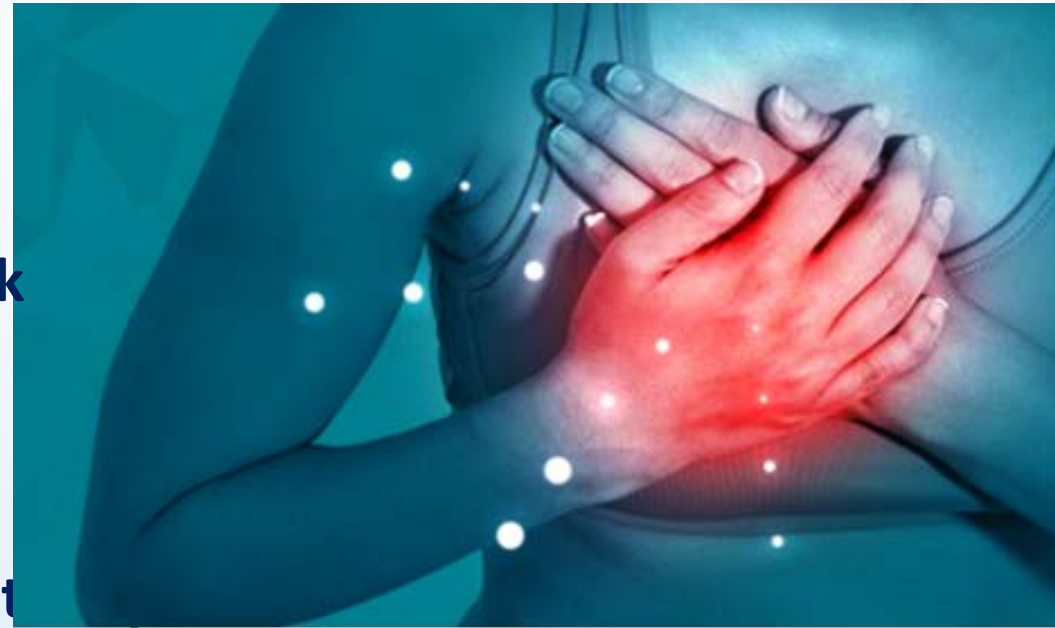

Limburg - Noord

AmbulanceZorg
zorg in beweging

- Responsible implementation of a network
 - Civil Assistant
 - Alarm System
 - (AED's)
- With a (possible) CPR emergency call, not only ambulance services are alarmed, but also the Civil Assistants are asked to go to the victim and give CPR (by means of a tekst message)

Characteristics

Limburg - Noord
AmbulanceZorg
zorg in beweging

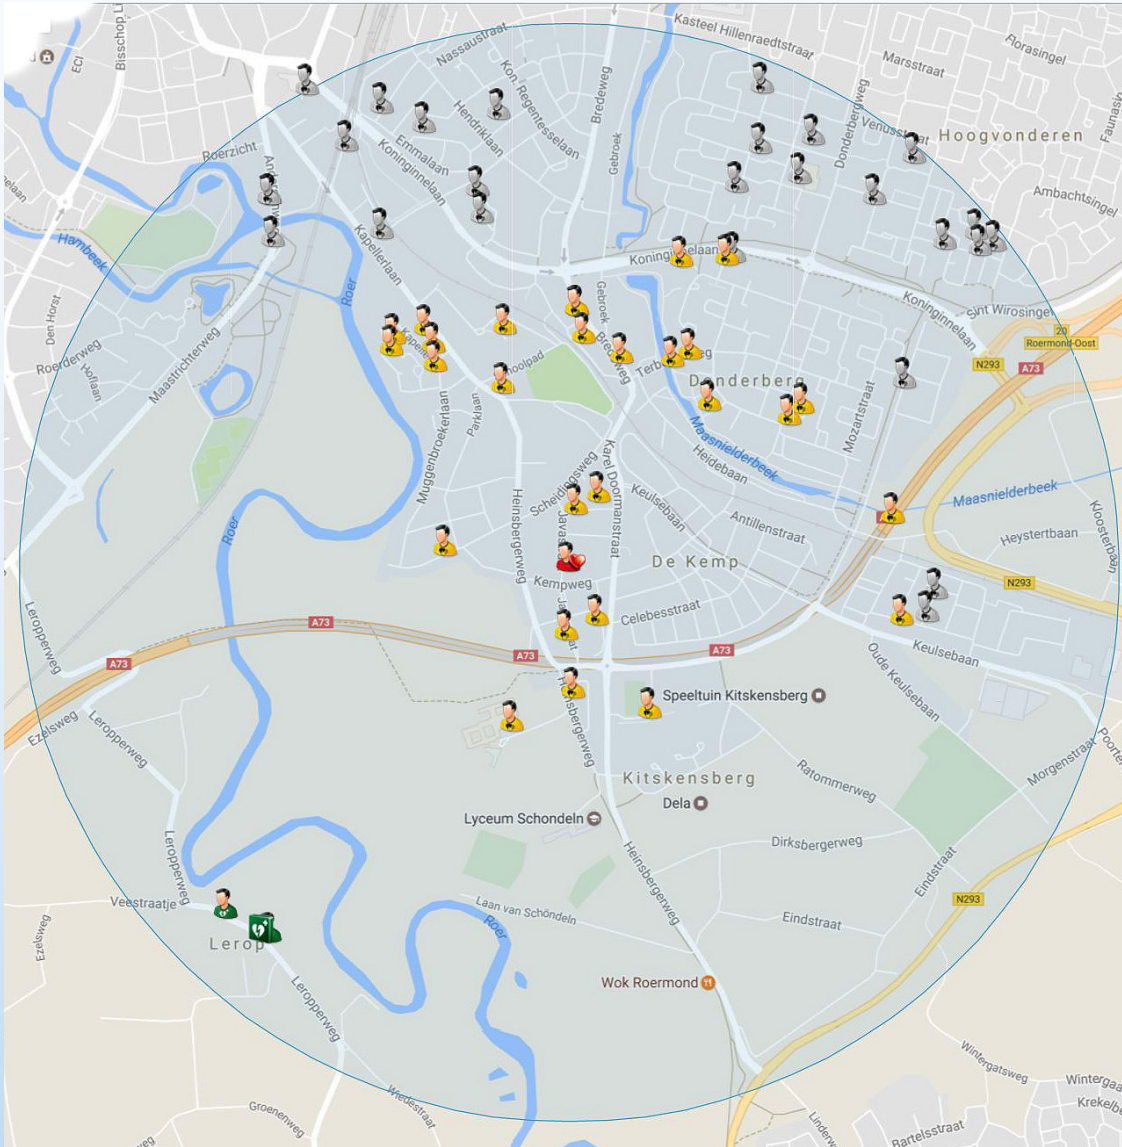

The project “Burger Hulpverlening Limburg” (civil assistance Limburg) takes care to provide sufficient coverage to realize...

- ... the start of an adequate CPR within **3 minutes**
- ... the presence of an AED at the location of the victim, within **6 minutes**
- ... a survival chance too 30-40% in the future
