

**Child falls and 911 is called**

**Emergency crews arrive and assess the situation**

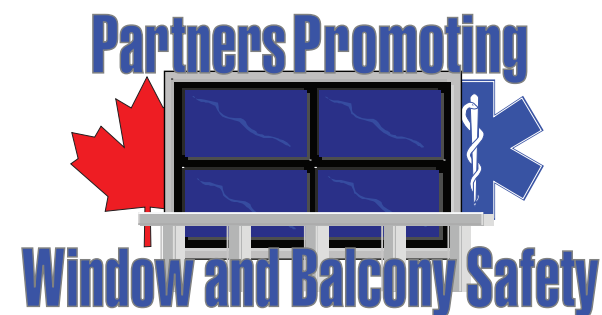

**Patient is treated and taken to hospital**

**For more information about sponsorships, contact the CWDMA Child Safety Committee through EMS Dean Shaddock (416) 338-0473 or Win-door show office (800) 282-0003**

**For more information about window and balcony safety go to [www.windowandbalconysafety.ca](http://www.windowandbalconysafety.ca)**

## **Window and Balcony Safety Booths**

*Partners Promoting Window and Balcony Safety is an awareness program that identifies risks and offers education about fall prevention strategies.*

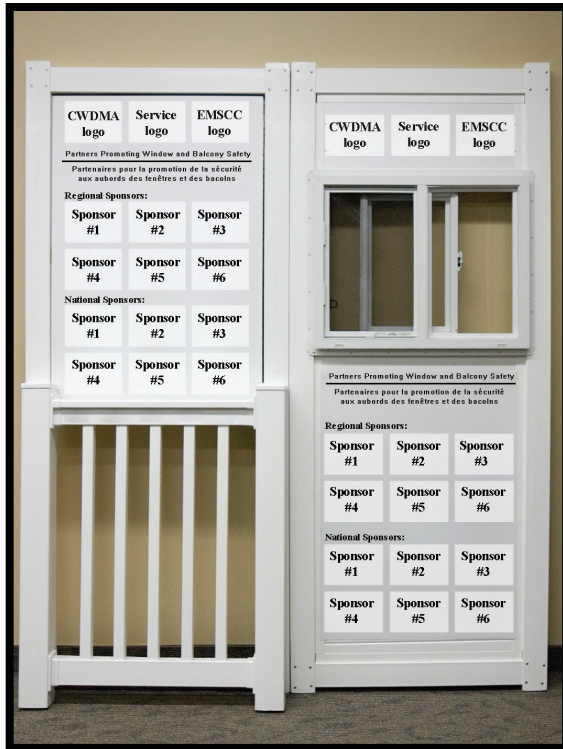

**The safety booth is an educational tool used in demonstrations by professional Emergency Medical Services (EMS) staff in schools, shopping centres, trade shows, and special events.**
